Mechanism of Internal Assessment

2021-22

Mechanism of Internal Assessment is Transparent and Robust in Terms of Frequency and Mode

Gargaon College is an affiliated college under Dibrugarh University and is guided by the regulations formulated at the university level regarding syllabi, examination, and evaluation. Continuous Internal Assessment System is carried out as per Dibrugarh University rules. Under this, each paper has a component of 20 percent marks for internal assessment and 80 percent marks for the final examination of that paper. In principle, the internal assessment involves continuous evaluation carried out throughout the year by means of various components such as regular tests, projects, paper presentations, seminars, quizzes, etc. The 20 percent marks allotted for internal assessment is again distributed among the following components as under:

Sl. No.	Components	Percentage of marks allotted
a)	Sessional Examination I (Written)	25% of the marks allotted for internal assessment.
b)	Sessional Examination II (Written)	25% of the marks allotted for internal assessment.
c)	Seminar/ Group Discussion/Assignments	25 % of the marks allotted for internal assessment.
d)	Attendance	25 % of the marks allotted for internal assessment.

Sessional examinations are held at regular intervals. The marks obtained by each student are shown to them along with their exam copies by their respective teachers and are advised accordingly to develop areas that need attention and improvement. Grievances, if any, are solved and looked after by the teacher under the aegis of the Head of the Department. Results of the various internal examinations are then announced within a stipulated time and the marks list is hung in the respective departmental notice boards. Apart from the conventional method of assessment, digital platforms like Google Classroom, Zoom, Google Meet, etc., are also used to hold various tests and presentations.

Moreover, the department also uses software provided by Dibrugarh University for entering the internal marks of both theory and practical papers which can be downloaded easily as per requirements.
