**REPORT ON INDUCTION PROGRAMME
2021-22
Date: 23-11-21**

Brief Description of the Programme

INDUCTION PROGRAMME ON REGULAR COURSES

To give a clear picture of the courses, syllabus, code of conduct of the college, different cells and units like NCC and NSS, sports facilities, infrastructures, and Library rules etc., the Gargaon College organizes Induction Programme at the beginning of the new academic session each year. In the induction programme the principal of the college welcomes all the students to the institution and the faculty members associated with these academic and administrative aspects acquaint the students with the rules and regulations of the institution. Further, in the induction programme, the students share their experiences and problems and accordingly, their queries are answered.

INDUCTION PROGRAMME ON ADD-ON COURSES

Gargaon College in collaboration with its Internal Quality Assurance Cell organized an induction program to introduce twenty-three add-on courses to the student fraternity. The add-on courses would be provided by Gargaon College and approved by Dibrugarh University. The courses have been introduced with the aim to bridge the gap between industry and academia by enhancing employability skills in different areas among the students and to cope with the New Education Policy 2020.

Dr Sabyasachi Mahanta, Principal of Gargaon College delivered the inaugural speech wherein he emphasized that students must not only develop and supplement their degree subject the add-on courses but also develop entrepreneurial skills. He motivated the students by elaborating on how to stand out after graduation, in an increasingly competitive and globalized job market. He also stated that the professionally oriented add-on programs would give the students an edge over their peers with only a conventional undergraduate degree.

Of the 23 courses, 16 have been launched in the first phase. The course coordinators presented a brief overview of the course and motivated the students to join more and avail the benefit. The courses and the course coordinators are respectively Mushroom Cultivation by Dr. Dimbeswar Das, Entrepreneurship & Small Business Management by Dr. Mrinal Ghosh, Computational Chemistry by Dr. Saheen Shehnaz Begum, Creative Writing in English by Ms. Shyamolima Saikia, Geo-informatics by Dr. Rituraj Neog, Techniques of Teaching by Dr. Bidyananda Borkakoty, Water purification by Dr. Chandraditya Gogoi, Vermicompost by Ms. Pimily Langthasa, Data Analysis using SPSS by Ms. Bornali Dutta, Green Tea Processing and Marketing by Dr. Surajit Saikia, Electrical Instrumentation by Mr. Jayanta Sonowal, Computer Hardware & Networking by Dr. Surajit Saikia, Human Rights and Contemporary Issues by Mr. Yuvaraj Gogoi, Introduction to various branches of Mathematics by Mr. Harekrishna Mili and Creative Writing in Assamese by Ms. Debajani Bokalia.
