About The Program

The Department of Commerce at Gargaon College has taken the initiative to organize a training program on Intellectual Property Rights (IPR) in collaboration with the National Intellectual Property Awareness Mission (NIPAM), Government of India. This program is specifically aimed at the teaching staff of the college.

The training program on IPR is significant in today's globalized economy, where intellectual property has become an essential component of businesses and organizations. It is essential to protect intellectual property, including patents, trademarks, copyrights, and trade secrets, to promote innovation, creativity, and economic growth. Therefore, it is necessary to understand the fundamentals of IPR and their importance in modern businesses.

The IPR training program organized by the Department of Commerce at Gargaon College will provide a comprehensive understanding of the various aspects of intellectual property rights. The program will cover topics like patent law, trademark law, copyright law, and the legal mechanisms available for protecting intellectual property. The program will also include practical sessions to enable the teaching staff to apply the concepts learned in real-life situations.

In conclusion, the IPR training program organized by the Department of Commerce at Gargaon College in collaboration with NIPAM, Government of India, is a significant initiative that will equip the teaching staff with the necessary knowledge and skills to understand the importance of intellectual property rights. It will enable them to guide the students of the college on the importance of IPR and the legal mechanisms available for protecting them.

Rationality of the Program

The training program is a unique opportunity for the teaching staff of the college to enhance their knowledge and skills in the field of IPR. The program will enable them to understand the importance of intellectual property rights in the globalized economy and the legal mechanisms available for protecting them. This training will not only enhance the knowledge of the teaching
