Report of the Meeting

A guardian meeting was organized in the Department of Geology on the 22nd of February 2022. The meeting was presided by Dr. Chandraditya Gogoi, HoD, Department of Geology. The meeting was initiated by Dr. Chirantan Bhagawati, Assistant Professor, Department of Geology and he delivered the theme of the meeting. The meeting was attended by 21 guardians of students from different semesters. The guardians actively interacted with the faculty members on the progress of their children and the different problems and issues faced by the students in their studies. In this regard, Dr. Bhagawati discussed the mentorship programs initiated in the Department which aims to help the students to overcome different issues and challenges faced by them in their academic as well as personal lives. Finally, the President delivered a talk addressing different important issues including overall growth, study, good health, and good social behaviors of the students. The meeting proved to be a very active discussion platform and ended with sound appreciation from the guardians.
