Rationality of the Program

The IQAC (Internal Quality Assurance Cell) and Career Counseling and Guidance Cell of Gargaon College organized a seven-day offline coaching program for the ASSAM TET LP (Lower Primary) and UP (Upper Primary) examinations in the year 2021. The program aimed to provide comprehensive guidance and support to aspiring candidates appearing for the ASSAM TET LP and UP exams. Under the guidance of Dr. Sabyasachi Mahanta, the honorable principal of Gargaon College, the organizing committee, led by Dr. Surajit Saikia (IQAC Coordinator), Dr. Dilip Kr. Deka (Associate Professor, Department of Geography), and Dr. Boluram Das (Associate Professor, Department of History), worked diligently to ensure the success of the program.

Benefits and Impact:

The seven-day offline coaching program organized by IQAC and Career Counseling and Guidance Cell, Gargaon College, proved highly beneficial for the aspirants preparing for the ASSAM TET LP and UP examinations. **The program helped them in the following ways:**

Enhanced Subject Knowledge: Through comprehensive coverage of the syllabus and expert guidance, the participants gained a deeper understanding of the exam subjects, thereby improving their overall subject knowledge.

Improved Teaching Skills: The pedagogical training component of the program equipped the candidates with effective teaching methodologies and strategies, empowering them to become better educators.

Increased Confidence: The interactive sessions, practice tests, and mock examinations helped candidates build confidence in their abilities and boosted their self-assurance to tackle the exam challenges.

Personalized Support: The individualized guidance and counseling sessions provided participants with personalized attention, enabling them to address their specific concerns and overcome any obstacles in their exam preparation.

Comprehensive Study Materials: The program provided study materials, reference books, and resources that has further helped the students to prepare for the exam.

Program Overview:

The seven-day offline coaching program was designed to cover various academic aspects relevant to the ASSAM TET LP and UP examinations. It provided a platform for candidates to enhance their understanding of the exam syllabus, improve their teaching skills, and gain

valuable insights into effective learning and teaching methodologies. The program focused on strengthening the participants' subject knowledge, pedagogical skills, and overall confidence.

Program Highlights:

Expert Guidance: The program enlisted the expertise of experienced faculty members and subject matter experts from Gargaon College. Their vast knowledge and teaching experience helped the participants' gain in-depth understanding and clarity on the exam topics.

Comprehensive Syllabus Coverage: The coaching program included a detailed analysis and discussion of the syllabus for the ASSAM TET LP and UP exams. Participants received comprehensive study materials, reference books, and resources to aid their exam preparation.

Interactive Sessions: The program incorporated interactive sessions to promote active participation and engagement among the participants. These sessions included group discussions, question-answer rounds, and collaborative problem-solving activities, enabling the candidates to clarify their doubts and deepen their understanding.

Practice Tests and Mock Examinations: To assess the progress and readiness of the participants, regular practice tests and mock examinations were conducted. These simulated exam environments helped the candidates develop effective time management strategies and familiarize themselves with the exam format.

Pedagogical Training: Recognizing the importance of teaching skills, the program also focused on providing pedagogical training to the participants. This training aimed to enhance their teaching techniques, classroom management abilities, and the application of innovative teaching methodologies.

Personalized Guidance and Counseling: Throughout the program, individualized guidance and counseling sessions were conducted to address the specific needs and concerns of the participants. This personalized approach ensured that each candidate received the necessary support and guidance to excel in the exam.
