Brief Description of the Programme

The Internal Quality Assurance Cell, Gargaon College Science Forum and NCC (11 Assam Girls(I) Coy & Naval Unit) of Gargaon College in collaboration with Assam Science Society, Gargaon Branch celebrated World Environment Day on 5th June 2022 with the theme of Only One Earth with a day-long program. The program was organized in the gracious presence of the Principal of Gargaon College, Dr Sabyasachi Mahanta, Dr Chinmoy Sarma, Principal of Rajiv Gandhi Petroleum Institute, Sivasagar and Mr Diganta Bora, Associate Professor Department of Chemistry, Sibsagar College and the entire college fraternity for creating environmental awareness. An inter-departmental competition on Innovations for reusing plastic bottles was organized wherein a total of 185 students participated in the competition. Altogether there were 42 teams from the college. The competition was inaugurated by the noted columnist and Principal of Gargaon College, Dr Sabyasachi Mahanta. In his inaugural speech, Dr Mahanta spoke on the ill effects of plastic on the environment and stressed creating awareness for the same to safeguard our environment. The 6th-semester students of the Economics Department bagged the first prize, Mathematics Department 2nd semester won the second Prize and Political Science, the 6th-semester students won the third prize in the competition.

The NSS unit of the Gargaon College and Eco Club in collaboration with Khelua High School, Dorika Hari Para Ghat MV School and Hahchara Lebang Gaon L.P. School celebrated World Environment Day at Gargaon College premises and Hahchara Lebang Gaon Rangamancha with plantation drive, district level quiz competition, speech competition and poem competition. To mark the day, more than 50 plants were planted by the NSS volunteers under the supervision of Dr Rimjim Borah, the NSS programme Officer of Gargaon College. In continuation of the program, a popular talk was also organized by Assam Science Society, Gargaon College on the topic "Effects of Plastic in Our Daily Life". Dr Sabyasachi Mahanta, Principal of Gargaon College inaugurated the programme. While inaugurating the Popular Talk, Dr Mahanta mentioned the role of the United Nations in the conservation of the environment, and sustainable development and urged everyone to be a part of it. Mr. Diganta Bora, Associate Professor, Department of Chemistry, Sibsagar College was invited as a resource person for the Popular Talk. Mr. Diganta Bora in his deliberation, highlighted the journey of plastic on earth and its negative effects and also suggested ways to overcome it. Dr. Dwijen Nath, Associate Professor of the Geography Department also recited a poem on environmental awareness. Dr Kabita Phukan, Assistant Professor of the Mathematics Department, Gargaon College and Secretary, Gargaon College Science Forum moderated the session. Dr Rashmi Dutta Assistant Professor of Zoology, Gargaon College and Assistant Secretary of Gargaon College Science Forum offered the vote of thanks to all concerned.
