Brief report of the program

Botany Department of Gargaon College organised a Lecture series on different aspects related to Botany for the benefit of students. The series was addressed by the Vice Principal of Gargaon College, Dr. Rina Handique. In her speech she welcomed all the esteemed resource persons and thanked the organisers for taking up the initiative. The coordinator of the series and Head, Department of Botany, Gargaon College Dr. Dimbeshwar Das introduced all the speakers to the participants.

On the first day Dr. Rajib Gogoi briefly explained his journey as a plant taxonomist. He also talked about his publications and precisely gave an insight about Plant Taxonomy and how to identify plants. The students' awareness of local plant resources in Indigenous knowledge systems and their potential futures was enhanced by Dr. Asish Kar on the second day. He discussed the development of IKS, the several medications that were found in India using traditional knowledge, the potential of IKS in agriculture, the use of flowers as vegetables, and other topics. He also highlighted the harvest and revenue from the cultivation of packing leaves. The third day's speaker, Miss Banashree Medhi, discussed mushroom farming as a profitable business. She gave an explanation of mushrooms, including how to recognise them, their nutritional value, and finally the business potential it presented. On the fourth day, Alumni of the department, Mr. Janardan Baruah gave a discussion about sericulture and inspired the students to pursue it. Mr. Devanjal Bora presented a talk on the research trends in traditional knowledge of medicinal plants. Mr. Bibit Dehingia, on the second last day of the series talked about the conservation of wildlife and wildlife protection. The final lecture in the series was given by Dr. Sadhan Kr. Basumatary who spoke on palaeobotany and plant evolution and enlightened the students with the scope of studying palaeobotany.

The seven-day long series was moderated by Mrs. Sangeeta Chetia and Miss Sandeepa Agarwalla, Assistant Professor, Department of Botany, Gargaon college.

Rationality

1. To encourage students and to give an insight about the various career prospects in the field of Botany.
2. To enrich the students about indigenous knowledge system and their livelihood scope.
3. The series also provided an opportunity to the students to get an idea about various research opportunities.

Day 6

Wildlife Conservation in Medieval India

The rhinoceros existed in the plains of the Indus valley in the vicinity of Mohan-jo-Daro 5000 years ago.

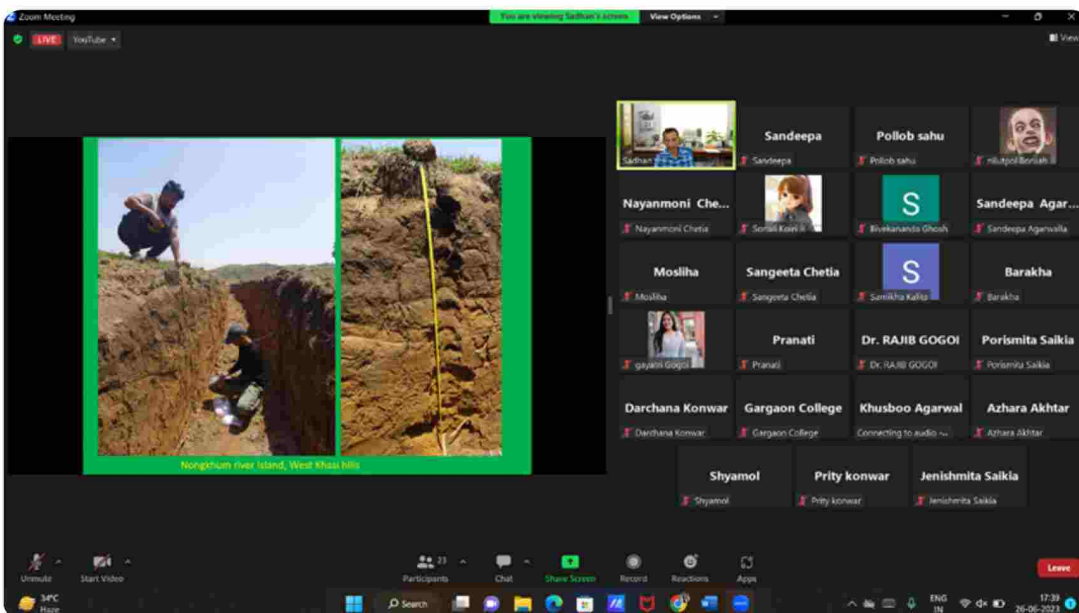

The swamp deer or barasingha was found in Mehrgarh in Baluchistan till around 800 BC

King Ashoka made a law in the matter of preservation of wildlife and environment. He was the establishment of hospital for medical treatment for human and animals; presumably the first of the "Veterinary hospital" in the world.

The *Arthashastra* divided the country between the Himalayas and the oceans into various kinds of regions - Forests (*Aranya*), Village areas (*Gramya*), Mountains (*Parvata*), Plains (*Sama*) and Uneven lands (*Visawa*).

Overview of the program

Name of the Workshop: Entrepreneurial Eco-system: Challenges and Opportunities

Date: 19th Sept, 2022

Organized by: Department of Commerce in Collaboration with DICC, Sivasagar

Resource person: Dr. Devi Baruah, Assistant Professor, Rajiv Gandhi University, Arunachal Pradesh

Related to: Entrepreneurship

Number of Participants: 123

Objective of the Program: To orient the students about seed collection and development of seed bank

Brief report of the program

Gargaon College Organizes a Workshop on Entrepreneurial Ecosystem: Challenges and Opportunities: The Department of commerce, Gargaon College in collaboration with DICC, Sivasagar organized an online workshop on "Entrepreneurial Ecosystem: Challenges and Opportunities" on 19th September, 2022. Dr. Meghali Bora, head of the department welcomed the guest speaker and the participants. She highlighted the purpose of the programme and talked about the startup India along with the importance of hands on learning. Dr. Sabyasachi Mahanta, noted columnist and the principal of Gargaon College inaugurated the session and appreciated the initiatives taken by the faculty members of the department in promoting entrepreneurship among the youths. In his inaugural speech Dr. Mahanta, spoke about the role of entrepreneurship development in reducing unemployment and poverty alleviation. He also mentioned about the lack of awareness of entrepreneurial ecosystem in the society. Dr. Mahanta argued that there is a need of entrepreneurial development to boost up the economy.

The programme was enriched by the resource person Dr. Devi Baruah, Assistant Professor, Rajiv Gandhi University, Arunachal Pradesh, through her valuable insights and life examples. She spoke about the importance of entrepreneurial ecosystem in developing enterprises in this part of India. Dr. Baruah highlighted the components of entrepreneurial ecosystem pillars and emphasized on the cultural support system and role of educational institutions in promoting entrepreneurship.

Brief report (continued)

The programme was coordinated by Mr. Gautom Hazarika and Dr. Mintu Gogoi. Advisor Mr. Anil Tanti and technical coordinator Dr. Mrinal Ghosh provided their assistance in successful completion of the workshop. The workshop moderated by Dr. Mintu Gogoi came to an end with a vote of thanks offered by Mrs. Nomami Dutta.

Rationality

A workshop on entrepreneurial ecosystem can be a valuable learning experience. It is important to explore the various components of the entrepreneurial ecosystem, such as funding, mentorship and networking opportunities; to understand how they contribute to the rationality and success of startups and entrepreneurs.

Objective of the Program:

Brief report of the program

The Department of Commerce, Gargaon College, in collaboration with IQAC of the College conducted a Three-Day Online seminar series from 6th to 8th April, 2023 on NEP 2020 and NRF, Entrepreneurship and Self-reliant India, and IPR basics and advanced. The seminar aimed to highlight the significance of these topics and educate learners, including advanced and slow learners. Dr. Pranjal Kr. Phukan, Professor of Practice at Woxsen University, Hyderabad, led the seminar as the resource person.

Day one of the online seminar focused on the topic "NEP 2020 and NRF: A Significant step". Dr. Meghali Bora, Associate Professor and HOD, Department of Commerce, welcomed the participants and highlighted the importance of the seminar. Dr. Sabyasachi Mahanta, Principal of Gargaon College, delivered the inaugural address, emphasizing the significance of NEP 2020 and National Research Foundation (NRF) in various shades. Dr. Mahanta highlighted the need for a paradigm shift in the Indian education system to align with the global standards. He also emphasized the importance of multidisciplinary approach and vocational training which the NEP 2020 aims to address. He further stated that the NRF must provide a platform for young researchers to showcase their talents and enable them to contribute significantly to the nation's research output. Dr. Pranjal Kr. Phukan spoke about the importance of NEP 2020 and NRF.

Entrepreneurship and Self-reliant was the topic for the second day. Dr. Pranjal Kr. Phukan in his deliberation highlighted the importance of entrepreneurship in achieving self-sustainability. He provided insights into various aspects of entrepreneurship, such as ideation, funding, and marketing.

Report (continued)

On the final day of the seminar while highlighting on the topic "IPR Basic and Advanced". Dr. Phukan spoke about the role of intellectual property rights (IPR) in protecting innovations. He discussed the basic and advanced aspects of IPR and how it can be utilized to secure business ideas.

The programme coordinators of the three-day online series were Dr. Mrinal Ghosh, Mr. Anil Tanti, Dr. Mintu Gogoi, and Miss Sandeepa Agarwala. The coordinators worked together to ensure that the seminar was open to all and addressed the needs and requirements of both advanced learners and slow learners. The seminar was a significant success, with participants benefiting from the knowledge shared by Dr. Pranjal Kr. Phukan. The programme ended with a vote of thanks offered by Dr. Meghali Bora, Associate Professor and HOD, Department of Commerce, Gargaon College.

Rationality

Entrepreneurship plays a crucial role in fostering self-reliance; it is important to note that entrepreneurship involves various mathematical aspects such as financial planning, risk assessment and market analysis. Entrepreneurs often use mathematical models and data analysis to make informed decisions which can contribute to the economic growth and self-reliance of a nation like India.
