Topic: Paleobotany and Plant Evolution on 26.06.2023

Brief report of the program

Botany Department of Gargaon College organised a Lecture series on different aspects related to Botany for the benefit of students. The series was addressed by the Vice Principal of Gargaon College, Dr. Rina Handique. In her speech she welcomed all the esteemed resource persons and thanked the organisers for taking up the initiative. The coordinator of the series and Head, Department of Botany, Gargaon College Dr. Dimbeshwar Das introduced all the speakers to the participants.

On the first day Dr. Rajib Gogoi briefly explained his journey as a plant taxonomist. He also talked about his publications and precisely gave an insight about Plant Taxonomy and how to identify plants. The students' awareness of local plant resources in Indigenous knowledge systems and their potential futures was enhanced by Dr. Asish Kar on the second day. He discussed the development of IKS, the several medications that were found in India using traditional knowledge, the potential of IKS in agriculture, the use of flowers as vegetables, and other topics. He also highlighted the harvest and revenue from the cultivation of packing leaves. The third day's speaker, Miss Banashree Medhi, discussed mushroom farming as a profitable business. She gave an explanation of mushrooms, including how to recognise them, their nutritional value, and finally the business potential it presented. On the fourth day, Alumni of the department, Mr. Janardan Baruah gave a discussion about sericulture and inspired the students to pursue it. Mr. Devanjal Bora presented a talk on the research trends in traditional knowledge of medicinal plants. Mr. Bibit Dehingia, on the second last day of the series talked about the conservation of wildlife and wildlife protection. The final lecture in the series was given by Dr. Sadhan Kr. Basumatary who spoke on palaeobotany and plant evolution and enlightened the students with the scope of studying palaeobotany.

The seven-day long series was moderated by Mrs. Sangeeta Chetia and Miss Sandeepa Agarwalla, Assistant Professor, Department of Botany, Gargaon college.

Rationality

1. To encourage students and to give an insight about the various career prospects in the field of Botany.
2. To enrich the students about indigenous knowledge system and their livelihood scope.
3. The series also provided an opportunity to the students to get an idea about various research opportunities.

3. Silkworm Rearing Techniques

Indoor rearing – Mulberry & Eri

1. Well ventilated fly proof house.
2. Room Disinfection.
3. Kept the Dfls in medium cool place.
4. 23° c to 28° C and 75% to 85% relative humidity for better growth.
5. Feed on time.
6. Feed tender leaf in 1st & 2nd instar.
7. Medium leaf to 3rd & 4th instar.
8. Matured leaf to 5th instar.
9. harvest the ripen worms and kept in a dry leaf chamber called Jhali to form cocoon.

Outdoor rearing – Muga & Tasar

1. Tie the dfls/Kharika around the trunk of the food plant.
2. Protect the worms from predators.
3. Transfer the worms to the suitable foodplant if needed.
4. Harvest the ripen worms and kept in a dry leaf chamber called Jhali to form cocoon

GARGAON COLLEGE ADOPTS INITIATIVE TO PRACTISE AND PROMOTE THE ART FORM OF BHAONA

11/02/2023

About the initiative

Gargaon College, which has completed sixty glorious years of existence, has been working not only for the furtherance of academics but also that of culture, sports etc. As part of such initiatives, the college has taken a step towards the preservation and promotion of the rich cultural heritage of Assam by planning to stage 'Harmohan, Gojoketu Upakhyan, Dhritarashtar Digbijoy Aru Trishira Doityo Nidhon' Bhaona under the aegis of the teachers, non-teaching staff and students of the College on 11th February 2023. In this regard, Dr.Sabyasachi Mahanta, Principal, of Gargaon College opined that bhaona, an inextricable part of Assamese culture, has been playing an epoch-making role throughout the centuries. He expressed hope that by practising this art form, the college shall be able to bring about cultural unity and promotion and preservation of our heritage. He also informed that the bhaona shall be organised in memory of the departed members associated with the college since its inception and is meant for bringing the overall well-being of the present as well as the past faculty, non-teaching staff, students and society. The college is gearing up for a splendid and successful performance of the bhaona by constituting several sub-committees with Dr Sabyasachi Mahanta, Principal of the college as President, Dr. Rina Handique, Vice Principal of the college as Vice President, Manorama Phukan, President of Gargaon College Teachers' Unit, Lohit Gogoi, President of Gargaon College Employee's Unit, Dr. Bidyananda Borkakoty as Chief Secretary, Dr. Anjan Konwar as Secretary, Pranab Dowarah, Goutam Gogoi and Debashish Gogoi along with all the teachers and non-teaching staff of the college. A research volume with ISBN based on themes about literature, culture and religion to be edited by Ms. Devajani Bakalial, Dr. Ankur Dutta and Dr. Shyamolima Saikia is proposed to be published for the occasion. Meanwhile, the bhaona performance got underway with the traditional ceremony of naat mela in the presence of several local Vaishnav priests and retired professors of the Physics department of the college namely Shri Tuloshi Sensua, Shri Purna Baruah, retired professor of the Assamese department Shri Durlobh Buragohain among others. The organisers have solicited the cordial support and presence of the present as well as the past members of the college, well-wishers and local people at the bhaona performance to be held with utmost devotion and sanctity by the observance of the religious ritual of naam prasanga etc.
