Promotion of Gender Equality at Gargaon College

Gargaon College is committed to promoting gender equality and creating an inclusive environment for all students, regardless of their gender identity.

The college recognizes the importance of providing equal opportunities for both men and women in education and aims to eliminate any form of gender-based discrimination or bias. It actively works towards creating a campus culture that fosters gender equality, respect, and mutual understanding.

Practices that Gargaon College implemented to promote gender equality:

Anti-discrimination policies

The college has policies in place that explicitly prohibit gender-based discrimination, harassment, or any form of unfair treatment. These policies provide a framework for addressing complaints and ensuring a safe and inclusive environment for all.

Gender-sensitive curriculum

Gargaon College may have incorporated gender perspectives into its academic programs and curriculum. This could involve integrating gender studies courses or incorporating gender-related topics into various disciplines, fostering a deeper understanding of gender issues among students and faculty.

Equal opportunities and support

The college might actively strive to provide equal opportunities for men and women in all aspects, including admissions, scholarships, research opportunities, leadership positions, and sports activities. Additionally, they may have support systems in place to address the specific needs and challenges faced by students of all genders.

Workshops and Seminars

The college organizes awareness campaigns, workshops, seminars, or guest lectures on gender equality and related topics. These initiatives help educate students, faculty, and staff about the importance of gender equality and how to create an inclusive environment.

Gargaon College Joins Hands to Celebrate National Girl Child Day

Khairuddin Ahmed, Sibsagar, Jan 25: National Girl Child Day was observed on 24th January, 2023 at the premises of Gargaon College by the Department of Statistics and Women Cell, Gargaon College Teacher's Unit in association with IQAC, Gargaon College and 11 Assam Girls (I) Coy NCC, Gargaon College. Dr Ranjana Gogoi, head and Associate Professor of the department of Statistics while putting across the objectives and significance of the program explained how National Girl Child Day was first initiated in 2008 by the Ministry of Women and Child Development to draw attention to the inequalities faced by the girl child and to create awareness regarding her rights including the importance of education, health, and nutrition. Significantly, the date also marks the day in 1966 that Late Indira Gandhi took over as the first woman Prime Minister of India.

Dr. Sabyasachi Mahanta, Principal of Gargaon College and noted academician, in an insightful and thought-provoking address delineated the bleak social scenario where girls continue to face prejudice, inequality and abuse despite two decades of the twenty first century having elapsed and the breakthroughs made in science and other fields. Citing real examples of society's discrimination against the girl child such as foeticide, child marriage etc, he explained how it is imperative for
