**Plantation drive under Chief
Minister's Institutional Plantation
Programme**

“Chief Minister's Institutional Plantation Programme”

Date: 18 July – 15 August 2022

Organizers:

Gargaon College

Objective of the Program:

To plant and properly nurture the saplings till they grow into full-fledged trees

About the program/Details of the Program:

A massive tree plantation drive was conducted at Gargaon College to mark the celebration of Azadi Ka Amrit Mahotsav. The programme was initiated under Chief Minister's Institutional Plantation Programme from 18th July to 15th August 2022. The iconic celebration was organized by Gargaon College in association with IQAC, Gargaon College, Assam Science Society Gargaon Branch, Gargaon College Science Forum, NCC and NSS Unit, Gargaon College; Eco Club Gargaon College & Environment and Climate Cell Gargaon College concluded today. As a part of this initiative, altogether 17 departments of the College of Arts, Science and Commerce Stream, PGDCA, Non-Teaching Staff of Gargaon College and Gargaon College Students' Union Body enthusiastically participated in the programme with a pledge to properly nurture the saplings till they grow into full-fledged trees. The massive plantation drive started on 18th July 2022 by planting a Nahar (Ceylon Iron Wood) sapling by Dr. Sabyasachi Mahanta, Principal and a Bakul (Spanish Cherry) sapling by Dr. Rina Handique, Vice Principal of the College. During the plantation drive, more than 100 saplings of both medicinal and ornamental trees including Neem, Mango, Orange, Pomegranate, Jackfruit and other saplings are planted in different locations of the college

Rationality of the program:

- Enhance carbon stock through mass plantation.
- Conservation of important native plant species including the medicinal plants
- Beautification of Institutional premises with ample greenery.
- Creative awareness for collective participation in climate change mitigation
- Providing fresh fruits, nuts, etc.
- Save environment and to beautify our lives
- Have cleaner air across the state

Plantation drive concludes at Gargaon College

Khairuddin Ahmed Sibsagar 16 Aug : A massive tree plantation drive was conducted at Gargaon College to mark the celebration of Azadi Ka Amrit Mahotsav. The programme was initiated under Chief Minister's Institutional Plantation Programme from 18th July to 15th August 2022. The iconic celebration was organized by Gargaon College in association with IQAC, Gargaon College, Assam Science Society Gargaon Branch, Gargaon College Science Forum, NCC and NSS Unit, Gargaon College; Eco Club Gargaon College & Environment and Climate Cell Gargaon College concluded today. As a part of this initiative, altogether 17 departments of the College of Arts, Science and Commerce Stream, PGDCA, Non-Teaching Staff of Gargaon College and Gargaon College Students' Union Body enthusiastically participated in the programme with a pledge to properly nurture the saplings till they grow into full-fledged trees. The massive plantation drive started on 18th July 2022 by planting a Nahar (Ceylon Iron Wood) sapling by Dr. Sabyasachi Mahanta, Principal and a Bakul (Spanish Cherry) sap-

ling by Dr. Rina Handique, Vice Principal of the College. During the plantation drive, more than 100 saplings of both medicinal and ornamental trees including Neem, Mango, Orange, Pomegranate, Jackfruit and other saplings are planted in different locations of the college. Speaking about the initiative, Dr. Sabyasachi Mahanta, Principal of Gargaon College emphasized the importance of Azadi Ka Amrit Mahotsav and the activities carried out by the Government under various themes. Dr. Mahanta motivated the students to plant more trees in the future and highlighted the importance of trees in maintaining our ecosystem. He appreciated the remarkable work undertaken both by the teachers and students of the college. He further added that this ingenuity shall go on a long way in inculcating responsiveness among the students about environmental conservation. The Principal of the College, Dr. Sabyasachi Mahanta also appreciated and thanked Dr. Dimbeswar Das, Coordinator of the massive plantation programme for his active coordination and the fruitful completion of the plantation drive.
