Life Skill Program by the Department of Geography, Gargaon College, 2022-23

Date: 22nd April, 2023

Name of the Program: World Earth Day, 2023

Resource person: Dr. Dilip Kumar Deka

The Department of Geography at Gargaon College organized and celebrated World Earth Day on April 22, 2023. The basic objective of this programme is to develop awareness about the environment and climate and improve the skills of participants in developing sustainable environments at the local, regional, and national levels. The programmes involved students and teachers of different departments of Gargaon College with alumnus of the college. The programme is chaired by the head of the department, Dr. Dilip Kumar Deka, with Dr. Dwijen Nath, Mrs. Monurama Phukan, and Dr. Rituraj Neog. The head of the department of geography has inaugurated the program. Mrs. Monurama Phukan, Assistant Professor of the Department of Geography, hosted the programme schedule. Dr. Dilip Kumar Deka and Dr. Dwijen Nath, associate professors of department of Geography have delivered a special lecture session with a special emphasis on environmental awareness in the era of climate change. The List of percipients with signature is provided below.

Life Skill Program by the Department of Geography, Gargaon College, 2022-23

Date: 22nd March, 2023

Name of the Program: World Water Day, 2023

Resource person: Dr. Dilip Kumar Deka

The Department of Geography, “Gargaon College, has organized World Water Day 2023 on the theme "Accelerating Change to Solve the Water and Sanitation Crisis” on 22nd March, 2023. The programme is inaugurated by Rina Handique as guest of honour. Dr. Dilip Kumar Deka, associate professor of the Department of Geography, has delivered a talk on the availability of potable water on the planet Earth and its significance. Dr. Deka has also placed emphasis on the improvement of skills for the conservation and management of water resources for sustainable use. Dr. Rina Handique, associate professor of the Department of Zoology, talks about the cause and consequences of water pollution and its impact on human health. Dr. Handique has provided some measures as an initiative of skill development for the reduction of water pollution and conservation of water resources through the rainwater harvesting method. The programme has been attended by students and faculty members of the Department of Geography at Gargaon College. The students and faculties that joined the above-mentioned programme are listed below.
