Soft Skill Development Program by the Department of Geography, Gargaon College,

2022-23

On June 26, 2023, the Department of Geography conducted a student awareness and soft skill development programme at Na-mati High School in Nazira, Sivasagar. The geography department at Gargaon College's faculty and students have been running the programme. The main goal of this curriculum is to increase student awareness of and competence in the creation of wealth from waste materials at Na-mati High School. Along with the aforementioned, the department of geography also taught certain classes on geography to eighth- and ninth-graders in order to foster students' interest in and understanding of the topic. In order to hone their artistic abilities, geography department sixth-semester students also took specific sketch art sessions. The programme had dual objectives: teaching skill development and increasing awareness of geography outside the perimeter of the college campus. The teachers, along with 6th semester students in the department of geography, have successfully completed the programme.

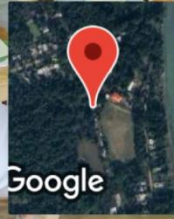

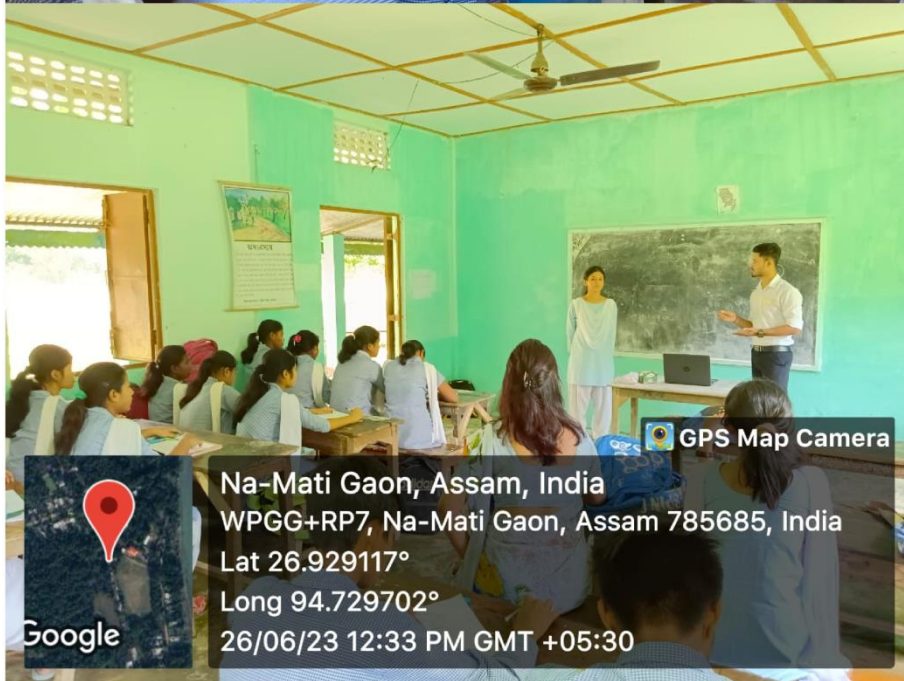

Dr. Dilip Kumar Deka

Soft Skill Development Program by the Department of Geography, Gargaon College,

2022-23

The department of geography at Gargaon College has organised World GIS Day on November 16, 2023, on the theme “**Share your passion and inspire the world with GIS**”. The programme has been conducted by Dr. Rituraj Neog, Dept. of Geography, Gargaon College, and inaugurated by Dr. Diip Kumar Deka, Associate Professor, Dept. of Geography, Gargaon College. The basic objective of the programme is to enhance the conceptual and technical skills of the students in the department of geography using GIS ftware. Further, the programme is also intended to enhance the computing skills of the students through different allied activities related to map-making and geo-spatial technology. All the students in the 3rd and 5th semesters of the Department of Geography have actively participated in the day-long program. The students participation in the above-mentioned programme is listed below.
