REPORT ON

PROJECT

GYANYATRA

An Initiative of IQAC

About the Project

Gargaon College situated within the historic precincts of Gargaon, the erstwhile capital of the Ahom kingdom, is one of the foremost institutions of repute in Upper Assam. The college has been making consistent efforts to impart quality education as well as to work for the furtherance of the community. It has the requisite infrastructure and qualified faculty equipped with relevant expertise in their chosen field, both of which can be harnessed to uplift students from the economically weaker sections of society.

With such an aim in mind, a project named 'Gyanyatra' has been undertaken under the aegis of IQAC, Gargaon College, in 2023. Under this initiative, the college plans to create a platform to render support to schools and underprivileged students in the sphere of education and allied areas. It was observed that the use of online mode of education which was kick-started during the pandemic couldn't be accessed by underprivileged students of remote areas mainly due to their economic constraints. In order to remove such disparities, Project Gyanyatra has taken the onus of reaching out to such students and offering necessary academic support. Along with imparting lessons related to the school/college curriculum, the project aims to impart training for career prospects, life skills, communication skills, health and well-being among others.

Under this programme, the college has already adopted several schools and has carried out classes, plantation drives etc. This programme shall benefit students up to the higher secondary level. To make this project successful, volunteering support of teachers, students, alumni and all well-wishers shall play a crucial role. It is hoped that in this project, the needy students and schools shall not be the only ones to be assisted but every individual volunteering for the programme shall be enriched in some way by this noble initiative.

Some of the objectives of this project are enumerated as follows:

1. To make education all-inclusive.
2. To provide digital education through online and offline mode.
3. To offer free coaching to students who are unable to pay tuition fee.
4. To conduct programmes pertaining to career counseling, communication skill, life skill, personality development etc.
5. To engage college students in volunteering and community service.
6. To provide support to needy students in terms of mental health and overall well being.

Media Coverage

Gargaon College undertakes initiative for Students Development Programme

Khairuddin Ahmed Sibsagar 27 May: The Department of Mathematics, Gargaon College in collaboration with IQAC of the college conducted a visit to Nazira Bortala Higher Secondary School on 25, 26 & 27 May, 2023. The purpose of the programme was to promote community engagement and social responsibility among the students. Dr. Sabyasachi Mahanta, renowned academician and Principal of Gargaon College appreciated the efforts of the faculty members of Mathematics Department, Gargaon College for conducting such an outreach programme to exchange information pertaining to teaching, learning resources. The introductory meeting was initiated by Dr. Kabita Phukon, Assistant Professor and HOD

of Mathematics department, Gargaon College. She stated a few words about the activities that the Mathematics department of Gargaon College has initiated to carry out in collaboration with Nazira Bortala Higher Secondary School. The IQAC Coordinator of the college, Dr. Surajit Saikia explained the purpose and objective of the visit to the school undertaken under Gyanatra project. An MoU has been signed in the presence of Mrs. Nivedita Gogoi, Principal, Nazira Bortala Higher Secondary School, Dr. Kabita Phukon, Dr. Surajit Saikia and Mrs. Madhumita Dutta. The Principal of Nazira Bortala Higher Secondary School, Mrs. Nivedita Gogoi extended gratitude towards the mutual understanding of the new initia-

tive and expressed hope that the continuous activities under the MoU will be beneficial for the students. She stated their need and requirements in the context of education. She further promised to do the needful for the success of this MoU. As part of the initial activities of the programme, plantation was carried out at the school campus. Dr. Kabita Phukon, Mr. Harekrishna Mili and Ms. Sujata Gowala, Assistant Professors of Mathematics department, Gargaon College and students of the department, Mr. Bitupan Mohan, Mr. Rubul Marar, Mr. Bijoy Beria, Mr. Debasish Rajkakoty, Ms. Jajasmita Handique and Ms. Brishti Bora conducted practice classes to the students of class X and XII of the school.

Gargaon College undertakes school adoption initiative

OUR CORRESPONDENT

SIVASAGAR, May 11: As part of a school adoption initiative, the Department of Mathematics, Gargaon College, in collaboration with IQAC, conducted a visit to the Ligeripukhuri High School located near 1st Assam Police Battalion Camp, Ligeripukhuri on May 8.

The introductory meeting of the school adoption programme was hosted by Harekrishna Mili, Assistant Professor of the Department of Mathematics, Gargaon College. Dr. Surajit Saikia, IQAC Coordinator of the college, explained the purpose and objective of the meeting. He spoke about the initiative planned by the college to create a platform to impart support to schools and underprivileged students in the area of education. He congratulated the school for being the first adopted institution under the colleges school adoption initiative. Referring to the strength of Gargaon College in terms of faculty and infrastructure, he explained how the college is capable of imparting support to the adopted school.

Dr. Kabita Phukon, Head of the Department of Mathematics, explained the activities that the Department of Mathematics would like to carry out in collaboration with Ligeripukhuri High School. An MoU between the department of Mathe-

maties, Gargaon College and Ligeripukhuri High School was signed in presence of Prosenjit Borthakur, Principal of Ligeripukhuri High School, Dr. Kabita Phukon, Dr. Surajit Saikia, and former Principal of the school, Rajen Sharma.

CRCC Binud Gogoi read out the objectives mentioned in the MoU and appreciated the initiative undertaken by Gargaon College. Rajen Sharma extended gratitude towards the college and expressed hope that continuous activities for the benefit of the students under the MoU would take place. Prosenjit Borthakur, Principal of the school, stated the needs and requirements in the context of the school and asked for necessary assistance and support from Gargaon College in this regard. He further promised to do the needful for the success of the MoU.

Harekrishna Mili spoke on the need for creating awareness on mathematical education. As part of the initial activities of the school adoption programme, plantation was carried out in the school campus and classes by the faculty members and students of the Department of Mathematics.

Dr. Sabyasachi Mahanta, Principal of the college and noted academician, appreciated the effort of the department of Mathematics of the college for undertaking the noble initiative.
