Indian Language Day

Indian Language Day

Date: 11th December, 2022

Organizers:

Department of Assamese

Significance of the Day:

This day is observed to celebrate the birthday of renowned Tamil poet and freedom fighter Mahakavi Chinnaswami Subramania Bharati. The reason behind choosing the birth anniversary of Bharati to observe the day is that Bharati in his time was considered to be the bridge between the North and the South. Observing his Jayanti as Bharatiya Bhasha Utsav day would once again strengthen the national unity.

Resource Persons:

Khageshwari Barua, Associate Professor, Assamese Department, Sivasagar College, Assam

About the program:

"Indian Language Day," was organized by Department of Assamese on 11th December. In his opening remarks, Dr. Sabyasachi Mahanta, Principal of the college expounded on the significance, importance, and relevance of the day. Dr. Mahanta commended the University Grants Commission (UGC) for its apt decision to celebrate 'Indian Language Day' on 11 December, coinciding with the birth anniversary of Subramanya Bharati—an accomplished multilingual, social reformer, and freedom fighter. He emphasized that such initiatives would significantly contribute to the successful implementation of the new National Education Policy.

The resource person, Khageshwari Barua delved into the reasons behind language crises, strategies to safeguard a language, and the critical importance of correct and systematic mother tongue learning from childhood. Barua delivered a thoughtful and engaging lecture on the necessity for precise speech and writing, elucidating the responsibilities and duties of every individual in promoting, disseminating, preserving, and enhancing the Assamese language. The ensuing discussion proved beneficial for the attending teachers, students, and interested participants. The seminar was skillfully moderated by Assistant Professor Devajani Bakalial from the Assamese Department.
