GARGAON COLLEGE UNDERTAKES SCHOOL ADOPTION INITIATIVE

- As part of a school adoption initiative, the Department of Mathematics, Gargaon College in collaboration with IQAC conducted a visit to the Ligoripukhuri High School located near 1st Assam Police Battalion camp, Ligoripukhuri on 8th May, 2023. The introductory meeting of the school adoption programme was hosted by Mr. Harekrishna Mili, Assistant Professor of the dept. of Mathematics, Gargaon College. Dr. Surajit Saikia, IQAC Coordinator of the college explained the purpose and objective of the meeting. He spoke about the initiative planned by the college to create a platform to impart support to schools and underprivileged students in the area of education. He congratulated the school for being the first adopted institution under the college's school adoption initiative. Referring to the strength of Gargaon College in terms of faculty and infrastructure, he explained how the college is capable of imparting support to the adopted school.

. Dr. Kabita Phukon, head of the Dept. of Mathematics explained the activities that the Department of Mathematics would like to carry out in collaboration with Ligeripukhuri High School. An MoU between the department of Mathematics, Gargaon College and Ligeripukhuri High School was signed in presence of Mr. Prosenjit Borthakur, Principal of Ligeripukhuri High School, Dr. Kabita Phukon, Dr. Surajit Saikia, and Former Principal of the school, Mr. Rajen Sharma. The CRCC Mr. Binud Gogoi read out the objectives mentioned in the MOU and appreciated the initiative undertaken by Gargaon College. Mr. Rajen Sharma extended gratitude towards the college and expressed hope that continuous activities for the benefit of the students under the said MoU would take place. Mr. Prosenjit Borthakur, Principal of the school stated the needs and requirements in context of the school and asked for necessary assistance and support from Gargaon College in this regard. He further promised to do the needful for the success of the MoU. Mr. Harekrishna Mili spoke on the need of creating awareness on mathematical education. The vote of thanks was offered by Miss. Sujata Goala, Assistant Professor of the dept. of Mathematics of Gargaon College.

Mr. Nilutpal Chutia, Assistant Professor of the dept. of Economics of the college offered the necessary technical help in conducting the programme. As part of the initial activities of the school adoption programme, plantation was carried out at the school campus and classes by the faculty members and students of the dept. of Mathematics were undertaken from standard 6th to 10th of the school. Dr. Sabyasachi Mahanta, Principal of the college and noted academician appreciated the effort of the department of Mathematics of the college for undertaking the noble initiative. Among other members from Gargaon College who visited the school included Mr. Ritwick Dowarah, Guest Faculty, Department of Mathematics and students from the dept. of Mathematics namely Dipjyuti Borpatra Gohain, Ujjwal Lahon, Udayan Khonikar, Tinamoni Panging and Tinashree Dutta.
