GARGAON COLLEGE

**USE OF ICT-ENABLED TOOLS
BY TEACHERS
FOR
EFFECTIVE TEACHING-LEARNING PROCESS
(2022-23)**

Overview

One of the oldest and illustrious institutions of higher education in Assam, Gargaon College with a commitment to achieve excellence in higher learning has been working relentlessly for the development of the learner as well as the furtherance of social good. In this direction, the college provides access to dynamic teaching and learning methods. ICT is one of the powerful tools that has helped the college facilitate interactive learning amongst the students and has helped the students grow while learning.

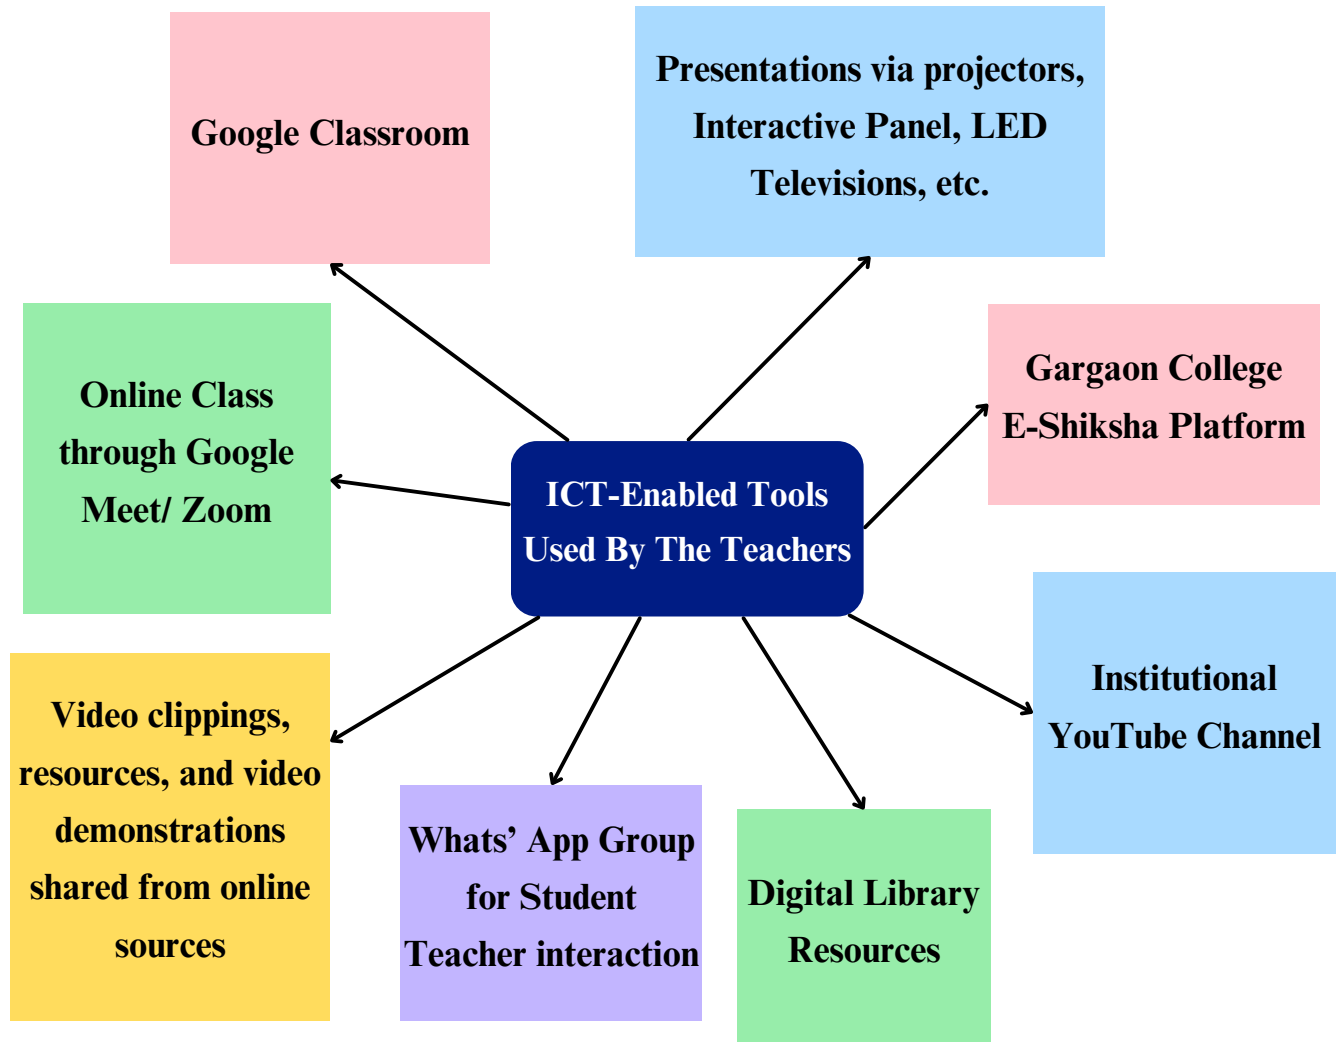

The faculty uses ICT-enabled classrooms with projectors, Interactive Panel, LED Televisions, etc. to expose the students to advanced knowledge. The teachers also use ICT enabled learning tools such as Google Classrooms, PPT, Video clippings, and resources and video demonstrations from online sources apart from providing reading materials through emails and other methods for an effective teaching-learning process.

The college has its online portal “**Gargaon College E-Shiksha: An E-Learning Platform for the Students of Gargaon College**”, an initiative to provide quality e-learning materials based on the syllabi. This is an e-repository of study material to cater to the needs of the students.

The college has one YouTube Channel named “**Special Lecture Series Gargaon College**”. This Channel contains videos of Seminars, Webinars, Workshops, Faculty Exchanges, Special Interaction Programmes, etc. The events are live-streamed through this channel thereby contributing as an e-learning source for the students.
