World Intellectual Property Day

Seminar on Innovation, Creativity, Intellectual Property

Date: 26th April 2023

Organizers:

NSS Unit, Eco Club and IQAC; Gargaon College.

Significance of the Day:

World Intellectual Property Day is observed annually on April 26th to raise awareness of how patents, copyright, trademarks and designs impact on daily life and to celebrate creativity, and the contribution made by creators and innovators to the development of economies and societies across the globe

About the program/Details of the Program:

On World Intellectual Property Day, Gargaon College organized a webinar on April 26, 2023, in collaboration with the Department of Statistics, Department of Chemistry, and IQAC. The event featured a talk titled "Innovation, Creativity, Intellectual Property" by Mr. Siddhartha Devnath, an expert from Patent Design Trademark and Copyright Services, Guwahati.

Dr. Sabyasachi Mahanta, the Principal of Gargaon College, inaugurated the webinar and highlighted the significance of intellectual property rights in protecting creations and encouraging innovation. He commended the efforts of the Departments of Statistics and Chemistry in organizing the event.

Dr. Ranjana Gogoi, Head of the Department of Statistics, introduced Mr. Siddhartha Devnath, emphasizing his expertise in intellectual property rights for patent, copyright, trademark, design, and geographical indications. Mr. Devnath discussed the importance of the day and delved into various aspects of intellectual property. He illustrated how simple inventions can drive societal change and qualify as innovations, citing examples like the "Fisher Space Pen."

The speaker also focused on the theme of World IP Day 2023, "Women and IP: Accelerating Innovation and Creativity," highlighting the contributions of women innovators from Assam. The session sparked engaging discussions and follow-up queries from participants.

Dr. Ranjana Gogoi and Dr. Anna Gogoi, Heads of the Departments of Statistics and Chemistry, respectively, coordinated the program. The webinar saw participation of around 85 participants from Gargaon College's teachers, staff, students, and alumni. Dr. Saheen S. Begum, Assistant Professor in the Department of Chemistry, extended the vote of thanks at the conclusion of the event.

Gargaon College celebrates World Intellectual Property Day

OUR CORRESPONDENT

SIVASAGAR, April 27: To mark the occasion of World Intellectual Property Day, a webinar was organized by Department of Statistics and Department of Chemistry, in collaboration with IQAC, Gargaon College on Wednesday, with the theme 'Innovation, Creativity, Intellectual Property', presented by eminent Intellectual Property professional and expert Siddhartha Devnath from Patent Design Trademark and Copyright Services, Guwahati.

The webinar was inaugurated by renowned academician Dr Sabyasachi Mahanta, Principal, Gargaon College. In his inaugural speech, Dr Mahanta emphasized the relevance of intellectual property rights of the creators and innovators and its impact on safeguarding the creations and to encourage the creation of intellectual goods. He also welcomed all the attendees and appreciated the endeavour of the Departments of Statistics and Chemistry, Gargaon college to mark the occasion.

The Head of the Department of Statistics and one of the convenors of the programme, Dr Ranjana Gogoi, introduced the national-level

resource person to the audience and elaborated on S Devnath's expertise and experience in the field of IPR for patent, copyright, trademark, design and geographical indications and his contribution in raising awareness on the topic across the country.

The speaker Siddhartha Devnath initiated the deliberation with the importance of the day and then addressed numerous aspects of IP. He particularly focussed on how a simple invention can bring about a change in society and thus be classified as innovation. He emphasized how imagination builds creativity with various examples such as the 'Fisher Space Pen', a pen designed to write in absence of gravity (unlike ball point pen). He also explained the innovations of several women innovators of Assam, in keeping with the theme of World IP Day 2023 'Women and IP: Accelerating Innovation and Creativity'.

The session was followed by several interesting discussion and follow-up queries of the participants. The programme was coordinated by Dr Ranjana Gogoi, Head, Department of Statistics, and Dr Anna Gogoi, Head, Department of Chemistry.
