

Visit to nearby village for field study:

In the session 2022-2023 the department of Education organizes field visits for the students of sixth semester separately in two groups in two separate Villages (fields). One village was 'Pochim Bosti Garo Gaon of Sivasagar District of Assam' and another village was 'Tiphuk Nopam Gaon of Sivasagar District of Assam'. A field study is a trip usually made for educational purpose. The aim of field study is visiting new places, meeting new people, gaining new knowledge, experiencing new social, educational and cultural environment that molds the pupil's mind in the right way. By participating in all these activities the students are able to develop the qualities of organizing and managing event. Students are also able to develop their intellectual, organizational and social skills like self-discipline, leadership quality, interpersonal communication, team spirit, and accepting responsibility

Visit to nearby school for macro teaching practice:

The Department of Education also organizes a visit to any nearby schools for the students of 4th semester to practice the teaching skills at macro level in the school. Macro teaching is a holistic approach to teaching. This approach involves creating a comprehensive lesson plan that includes a variety of teaching methods and strategies that are tailored to meet the diverse needs of students in a classroom
