

PROJECT REPORT

DEPARTMENT OF EDUCATION, GARGAON COLLEGE

The Department of Education Gargaon College has the following paper that requires the students to undertake project work for one semester under their respective Supervisors.

The details are as :

EDUCATION-DSEED 604

Dissertation (Project Report) Full Marks: 100 (Dissertation,(80), Internal Assessment (20), (Credit -6)

Objective of the Course:

- To explain the process of conducting a project
- To identify the problems of Education
- To solve the problems faced in educational field through project

Expected Learning Outcome: Students will gain an understanding of :-

- A. the process of conducting a Project
- B. The problems of Education
- C. solve the problems faced in educational field through project

In this paper students have to conduct a project under the supervision of a teacher and submit a project report The project will have to be selected from the field of education. On completion of the project work students have to submit the work in the form of report followed by oral presentation and Viva Voce in the presence of the faculty members and an external expert.

Mark Distribution for Evaluation of the Project Work

In – semester Assessment	Marks
Conducting the Project and preparing the report	5
Sessional Tests on the content of the first Unit	10
Attendance	5
End-Semester Assessment	
Project Report	60

In the session 2022-2023 the department of Education organizes field visits for the students of sixth semester separately in two groups in two separate Villages (fields). One village was 'Pochim Bosti Garo Gaon of Sivasagar District of Assam' and another village was 'Tiphuk Nopam Gaon of Sivasagar District of Assam'. A field study is a trip usually made for educational purpose. The aim of field study is visiting new places, meeting new people, gaining new knowledge, experiencing new social, educational and cultural environment that molds the pupil's mind in the right way. By participating in all these activities the students are able to develop the qualities of organizing and managing event. Students are also able to develop their intellectual, organizational and social skills like self-discipline, leadership quality, interpersonal communication, team spirit, and accepting responsibility
