GARGAON COLLEGE

MASTERS PROGRAMME

Academic session 2022-2023

OVERVIEW

Gargaon College, established on 7th September 1959 is one of the oldest and illustrious institutions of higher education in Assam. With a commitment to achieve excellence in higher education, the college has been working relentlessly for the development of the learner as well as the furtherance of social good. The College has been providing both Higher Secondary and Three-Year Bachelor's Degree (Major and Pass Course) Courses to more than two thousand students in every academic year. Besides its regular courses, the college also provides a one-year Post Graduate Diploma in Computer Applications (PGDCA).

Committed to growing into a center of excellence and enhancing the arena of higher education, the College successfully implemented one of its strategic plans of introducing new academic courses/programs. In the academic session 2022-23, the college started its regular Post-Graduate Courses in five departments under the affiliation of Dibrugarh University. The Five departments include:

1. Economics
2. Education
3. English
4. History and
5. Political Science

The Post-Graduate Courses were formally introduced on 19/09/2022 in the presence of the Joint Registrar (Academic) of Dibrugarh University, Dr. Binod Chandra Borah.

This initiative is expected to bring about a landmark change to the institution. It is noteworthy that the Department of Geography of the College has also been newly permitted to introduce Post-Graduate course in 2023.

Gargaon College introduces PG Course in Five Subjects under Dibrugarh University

Khairuddin Ahmed, Jun 28: Gargaon College has been accorded formal permission by Dibrugarh University to open PG programme in the departments of Economics, Education, English, History and Political Science from the forthcoming academic session, 2022-2023 under CBCS mode. The intake capacity of the PG course in each department shall be 20. With this significant attainment, Gargaon College has added another laurel in its list of crowning achievements. The historic Gargaon College, the learning hub of higher education in Sivasagar, has made exemplary strides in the field of education since its inception. Located in Gargaon, the capital of the mighty Ahom Kingdom, the college has carved a niche as a prestigious institution by catering to the needs of all sections of learners by imparting quality education of national standards in the entire locality. The institution envisages to be the centre of excellence and with this motto, it has been relentlessly working to actualize essential human potential by **Contd to Pg 11.**

Gargaon College introduces PG Course in

providing holistic and inclusive education both in academics as well as in extra-curricular activities. It is worthwhile to mention that the college under the adroit and vibrant leadership of its Principal, Dr Sabyasachi Mahanta has initiated several novel institutional changes to meet the emerging challenges in the educational scenario. In this direction, the college has already introduced several vocational courses approved by Dibrugarh University. Now, with the introduction of the PG course which has fulfilled a long-standing need of the institution, the college has taken another step in the direction of providing quality education. On getting the approval, the Principal of the college congratulated the heads and the faculty of the respective departments and expressed hope that the introduction of the PG course shall fulfill the dreams of the students in the vicinity of the college to pursue higher education.

Workshop on Special Lecture on Scientific Method and Research in Education

ORGANISED BY:
DEPARTMENT OF EDUCATION
GARGAON COLLEGE

Name of the Seminar/conference/workshop: Special Lecture on Scientific Method and Research in Education

Date: 03.10.2022

Nature of Activity: Workshop

Name of Resource Person: Romero Luciano D'souza

Number of Participants: 93

Overview

The Department of Education, Gargaon College organized an Online Talk on “Scientific Method and Research in Education” on 3rd October, 2022. The resource person invited for the talk was Romero Luciano D'souza, masters in Philosophy and Education. While inaugurating the programme, the Principal of the college, Dr. Sabyasachi Mahanta, elucidated the significance of scientific method and research in education. Dr. Mahanta also mentioned about the importance of application of scientific method to the study of educational problems. The invited speaker, Romero Luciano D'souza began by providing a comprehensive overview of the scientific method, emphasizing its importance in the pursuit of knowledge. The steps of the scientific method, including observation, hypothesis formulation, experimentation, data collection, analysis, and conclusion, were discussed in detail. The speaker, highlighted on the various issues related to the application of scientific method and research in education and the significance of maintaining integrity, honesty, and transparency throughout the research process. Case studies and real-world examples were presented to illustrate ethical challenges and solutions. Practical aspects of research, particularly data analysis and interpretation, were addressed.

The speaker introduced participants to statistical methods and tools commonly used in research, emphasizing the importance of drawing valid conclusions from collected data. The talk concluded with a discussion on recent trends and innovations in scientific research.. Following the presentation, an interactive session allowed participants to engage with the speaker, asking questions and seeking clarification on specific topics. The exchange of ideas and experiences among attendees added depth to the discussion and fostered a collaborative learning environment. The special talk on Scientific Method and Research Methodology proved to be an enriching and insightful experience for all participants. Attendees gained a deeper understanding of the fundamental principles of scientific inquiry, research methodologies, and ethical considerations. The event contributed significantly to the academic development of the students, empowering them with the knowledge and tools necessary for conducting impactful and ethical research. At the end Vote of thanks was offered by Parishmita Kakaty, Guest faculty, Department of Education, Gargaon College.

RATIONALITY OF THE PROGRAMME

Special talk /Workshop are important because they serve as the basis of learning for the participants. Academic special talk focuses on instruction that is designed for the attendee or participant to gain specific knowledge within the academic area. Special talk develops the academic background of the student. The research methodology course for P.G students is expected to cover the fundamentals of research methodology, specifically, the formulation of research problem, formulation of research hypothesis and testing of hypothesis, conducting literature review, data collection methods, selection of appropriate parametric or non-parametric statistical method for analyzing data, and report writing etc. The main rationale of organizing this special talk and workshop was to

- To enable the participants, define research problem, developing an approach to research problem and selection of suitable research design.
- To give a comprehensive overview of the scientific method to the participants.
- To give an idea to the participants about the ethical consideration in research
- To enable the participants to understand report writing and writing research proposals.
- To make aware the participants about latest trends and innovation in
