## Overview of the Program

**Name of the Program: 3-days Workshop on Geological time scale, Research ethics and Personality Development**

**Date: 21st, 23rd and 26th February, 2024**

**Time: 9am and 1pm**

**Resource person:**

1. Dr. Pimily Langthasa, Assistant Professor, Department of Zoology,
2. Dr. Dipankar Buragohain Assistant Professor, Department of Geology and
3. Dr. Plaban Jyoti Sarma, Assistant Professor, Department of Chemistry, Gargaon College

**Venue: Department of Botany**

## Brief report of the program

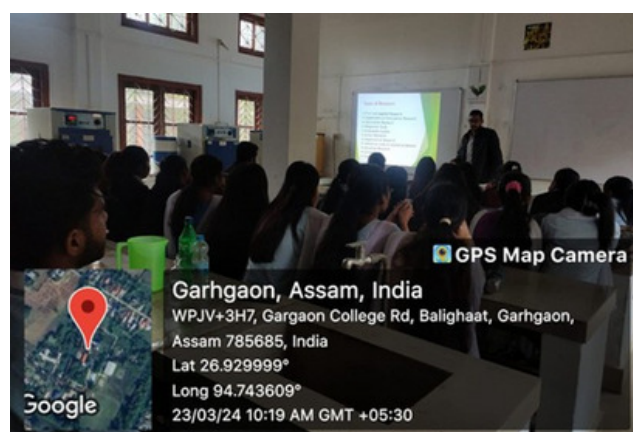

A three- day workshop was organized jointly by the department of Botany and Chemistry especially targeting the advanced learners of the departments. For this program, three resource persons were invited respectively from the departments of Geology, Chemistry, and Zoology who through their talks enlightened the students. They spoke on different domains. The students were given a brief insight into the fossils and geological time scale on the first day. Dr. Buragohain also demonstrated the different types of fossils. On the second day, the 6th semester students were given a brief review of the research methodology. Dr. Sarma explained the research ethics and the different research areas one can choose. On the last and third day, Dr. Langthasa spoke on personality development. She discussed about growth mindset of a person and urged the students to implement it.

## Rationality of the program

- To motivate and guide the students.
- To help the students know about research ethics.
- To provide a brief idea about personality development
