#### High points of the mentoring session

The students of the department we supported them every possible way in their pursuit of knowledge and course curriculum. There are some important points.

1. Providing student with a quiet place to work to reduce distractions.
2. Gave genuine praise frequently by emphasising their strengths and giving positive feedbacks.
3. Developing short lesson by limiting the working time to several short work periods rather than one long one.
4. We took some extra classes with the slow learners to help them keep Pace with advance learners.
5. Assigned some student to help these learners in the classroom.
6. The advance learners were given extra platform as to help them equip with sound knowledge for development of their career.

#### High points of the mentoring session

Attempts were made to solve educational problems as well as other domestic problems. Students were provided with books and sources related to the textbooks. The students were also given various inspirational contexts to celebrate life better.

Aspects chosen for inspiration:

- 1) Students are taught that their academic achievements are valuable for life
2. Subjects in the academic fields of students' interest are also considered
- 3) Efforts are made to guide them before and after each examination
- 4) They are allowed to think about inspirational issues for life
- 5) Basically, we are taught to enjoy life in a positive way
