Parent Teachers' Meetings play a crucial role in opening lines of communication for parents and teachers in order to instill changes in their ward's academic performance. It is essential that parents and teachers work together to share accountability for the student's overall development, and parent-teacher meetings provide a chance for both parties to communicate their impressions and concerns. Such meetings are important to create a better understanding between parents and teachers to build harmonious relationships. It is necessary to notify the parents regarding the responsibilities for better development of the students. It is also very important to sit together to identify the areas of strength and weakness of the student and sort out ways to enhance their overall performance. In tune with such objectives, various departments of Gargaon College conducted Parent Teachers' Meetings during 2023-24 which served as one of the various ways to effectively implement the course curriculum.

### **Discussions undertaken during the meetings:**

1. Discussion on several Student-centric and Department-centric issues
2. Update on Academic activities
3. Reconstitution of the Parent-Teacher Association and Executive Committee
4. Discussion of Future Action Plan
