## Department of Physics (2023-24)

### About PTM

Parent Teachers' Meeting is one of the core components of the Teaching-Learning Process of Gargaon College. The core objectives of PTM are

- To create a linkage between teachers and parents.
- To understand the socio-economic environment of the students.
- To help the slow learners in their continuous growth.
- Improve Community Participation

## **Report of the Parent Teacher Meeting**

A guardian meeting was held on 31st October 2023 in the department of Physics, Gargaon College. The meeting was chaired by Mr. Diganta Konwar HOD, Physics. The objective of the meeting was to discuss about the holistic development of the students including co curriculum and extra curriculum performance. At the very outset, the parents were informed about the counselling session with the students which was a part of mentor mentee program. Guardians were asked to cooperate with all the students-centric works planned by the department. From the guardian side, all participating parents shared their views for the overall progress of the students. They promised to support the department's effort for successful execution of future planning.
