To,

Mr. Satyam Raheja
M. Sc in Physics, IIT, Gandhinagar.

Sub: Invitation to be a Resource Person.

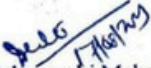

Mr. Raheja,

It is an immense pleasure that Gargaon College, Sivasagar, Assam, is organizing a Two Day National online workshop on Preparation for IIT-JAM. The workshop is scheduled for 24.08.2023 and 26.08.2023. The workshop will help students who aspire to pursue a master's degree from the renowned Indian Institutes of Technology (IITs) by giving them an overview of the IIT-JAM exam. The workshop will include topics such as the exam format, eligibility requirements, application procedure, and best practices to ace the exam.

As you are a very bright student yourself who have cleared IIT-JAM for Physics securing AIR-298; your deliberation and participation will surely benefit the participants as they will have the opportunity to interact with experts and former successful candidates. Therefore, on behalf of the Organizing Committee, I am honored to invite you to be a Resource Person for the workshop.

Thanking you.

With Best Regards,
