**BEST PRACTICES REPORT (2020-21)**

## Title of the Practice: Gargaon College E-Shiksha : An E-Learning Platform for the Students

COVID-19 has changed the world in more ways than anybody could have imagined. The closed doors of the campuses and cancellation of classes made it hard to foresee the long-term disruption it could have on the higher education system. Keeping with the motto to *provide quality education by infusing a new spirit among the learners*, the college switched to online classes again. The IQAC, Gargaon College, initiated “**E-Shiksha: An E-Learning Platform for the Students**” portal on May, 2020. The portal was inaugurated by Principal, Gargaon College, in an online staff meeting held in May, 2020. Some of the screenshots of the meeting are attached herewith the report. Since then the teachers have been contributing e –learning materials and videos from time to time based on the undergraduate courses offered under Dibrugarh University. The portal has more than 300 E-learning materials and videos till now.
