USE OF

ELECTRIC AUTO RICKSHAW

ZERO EMISSION

ECO FRIENDLY

COST EFFECTIVE

LESS NOISE POLLUTION

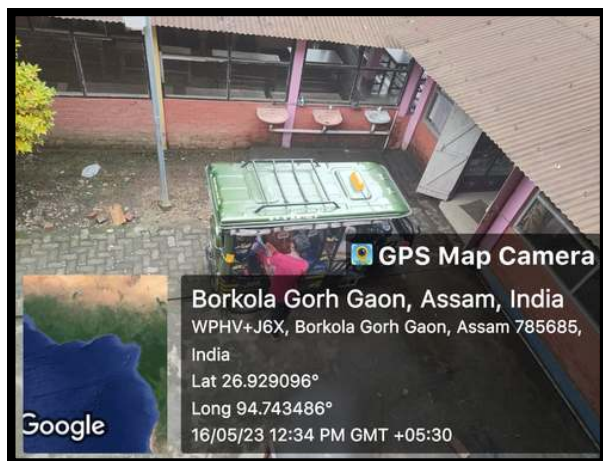

গড়গাঁও মহাবিদ্যালয়
GARGAON COLLEGE

Gargaon College encourages using Electrical Auto Rickshaw to set a model of sustainable development. Most of the college students use Electrical Auto Rickshaw as a means of transportation. Additionally, some of the teachers use E-Rickshaws to encourage the students and other members of the college fraternity towards eco-friendly transportation and reduce the use of vehicles. Most of the fast-moving commodities come by E-Rickshaw to the college canteen, Girls' Hostel, Boys' Hostel, College Quarters etc.
