1. ONE WEEK FACULTY DEVELOPMENT PROGRAMME ON RESEARCH METHODOLOGY

ABOUT GARGAON COLLEGE

One of the oldest and illustrious institutions of higher education in Assam, Gargaon College was established on 7th September 1959. With a commitment to achieve excellence in higher learning, the college has been working relentlessly for the development of the learner as well as the furtherance of social good. The motto of Gargaon College is 'to provide quality education by infusing a new spirit among the learners.' Located in the heart of Gargaon, the college is fourteen kilometers to the east of Sivasagar town and well connected by road and rail. The college has a vast green campus set in peaceful surroundings. Its verdant setting makes it an exclusive destination from the environmental and ecological point of view. The college is committed towards growing into a center of excellence and sustaining its historical legacy to be the best by catering to all the needs of the learners.

ABOUT MAHAPURUSHA SRIMANTA SANKARADEVA VISWAVIDYALAYA

Mahapurusha Srimanta Sankaradeva Viswavidyalaya has formally been founded on 10th June, 2014. Though the University has been set up under the Private University Act, but it is designed as a people's university, an institution for the entire people of Assam as well as India. 2. ONE WEEK FACULTY DEVELOPMENT PROGRAMME ON SCIENTIFIC LANGUAGE

KAZIRANGA UNIVERSITY
KNOWLEDGE & BEYOND

One Week Faculty Development Program on **Scientific Language**
26th April - 2nd May, 2023 (Online Mode)

Organized by:
Department of Mathematics, School of Basic Sciences,
The Assam Kaziranga University, Jorhat, Assam, India

About The Assam Kaziranga University
Founded in 2012 by the Khetan Industrial Group, Jorhat. The Assam Kaziranga University was established under the Assam Private Universities Act, 2007 (Act No. XII of 2007) as defined by Section 2 (f) of the University Grants Commission Act, 1956, approved by AICTE, and promoted by the North Eastern Knowledge Foundation (NEKF).

With an intention to provide unique learning experiences to students of the North-East, backed by global standards, we enable students to understand and develop the value of collaboration and create a community of not just employees, but entrepreneurs. With our seasoned faculty, from both industry and academia, state-of-the-art infrastructure and the best of industry collaborations, we aim to nurture the biggest of aspirations and the truest of dreams.

About The School of Basic Sciences
The need for general education in basic sciences acts as a corner stone in achieving scientific literacy that is quintessential in our nation's march towards progress and development.

The School of Basic Sciences stands apart from other institutions of higher learning in the field because it is committed towards imparting knowledge in pure sciences, which not only forms the basis for further academic pursuits in science and technology, but also lays the foundation for students to further pursue post graduate courses in pure sciences (MSc & Integrated BS - MSc), which has an unparalleled support of competent faculty, an exhaustive library and well equipped and updated laboratories.

About The Department of Mathematics
The Department of Mathematics was started in 2012 as one of the first few departments of The Assam Kaziranga University with the objective of producing trained manpower for undertaking research and teaching in mathematics and allied branches of basic and applied sciences. It also aimed to groom trained mathematicians for problem solving in industry and other concerns. Apart from offering Master's degree in Mathematics (2 years) it offers PhD programme in mathematics. The department offers research in areas such as Mathematical Modelling, Algebra, Fuzzy, Fuzzy Soft Set, Topology and applications, Operator Theory and applications, etc. Programs offers by the Department of Mathematics are:

- Ph.D. in Mathematics
- M.Sc. in Mathematics (2 years)

The two years M.Sc. (Mathematics) program is being divided into 4 semesters comprising 85 credits in all. The programme has been designed to equip the students with theoretical knowledge as well as problem solving techniques such that they get exposure to both industry and academia. In addition to coursework, students have the opportunity to work individually on a research project supervised by highly experienced faculty members. Such collaboration often culminates in the publication of one or more research articles. Extensive focus is also given for preparing such students through NET, GATE, SLET, TET and various other competitive examinations so that students who desire to pursue higher studies in National/International Universities get such opportunities.

Eligibility criteria for MSc In Mathematics
Graduates of any UGC recognized University in Science securing
a) At least 45% marks with Mathematics as the Major (40% in case of SC/ST category)
OR
b) At least 50% marks in the subject (Mathematics) and 45% marks in aggregate (40% in case of SC/ST category) in case of general course students.

About The FDP
By fostering professional practices relevant to technical education and inspiring the faculty to establish a competitive teaching and learning environment, it will channel development in terms of academic credentials and personal matters. This FDP gives participants a deeper understanding of the most recent developments in scientific languages. The programme primarily focuses on six scientific languages while also enhancing functional area expertise, classroom performance in the hottest scientific language themes, and research skills.

Target Audience for the FDP

- College and University faculty of science and technology.
- Research scholar of science and technology.
- Postgraduate student of science and technology.
- Highly motivated graduate student of science and technology.

What do we cover in the FDP?

- **MATLAB** in Scientific Computing
- Introduction and Statistical Graphics in R Software
- Scientific Writing Using **LATEX**
- An Introduction to **ORIGIN**
- Visualization of Mathematics Using **GeoGebra**
- Scientific Writing Using **MS-Word**

ABOUT THE DEPARTMENT OF STATISTICS, DIBRUGARH UNIVERSITY

The Dept. of Statistics was established in 1967 with Dr. S.N.N. Pandit as the founder Professor & Head. Currently, the department has eleven (11) full-time, well-qualified faculty members – four Professors, one Associate Professor, and six Assistant Professors. The department has been recognized for its contribution towards the cause of the subject and has so far received financial assistance under DST-FIST (2004-2009), UGC Innovative Programme (2007-2012), SAP-DRS-I of UGC (2009-2014), SAP-DRS-II of UGC (2015-2020). Thrust areas of research in the department include Probability Distribution, Bio-Statistics, Statistical Inference, Statistical Quality Control, Demography, Econometrics, Statistical Ecology, Time Series, Queueing Theory. The department has one peer-reviewed research journal "Assam Statistical Review" (ASR) since 1987.

SCOPE AND OBJECTIVE:

The development of various statistical software enables academics to do statistical analyses in less time and effort. SPSS is a user-friendly programme built specifically for evaluating social science data. The technical sessions will include a brief introduction of several statistical approaches often used by students of Science, Social Sciences, Commerce, and Management, as well as a demonstration of data analysis employing these methods using SPSS. This course will teach attendees how to use SPSS to analyze various data sets and draw conclusions. A special emphasis will be given on developing an understanding of how to handle certain data sets (database development, data entry, data editing, analysis) and reach scientific conclusions.
