#### High points of the mentoring sessions

##### Odd Semester:

- Discussions regarding academic performance were conducted for students in their 3rd and 5th semesters, and subsequently, they were advised to seek guidance from their mentors for improvement.
- Efforts were made by mentors to pinpoint the reasons behind the poor performance of certain students.
- Additionally, first-semester students were provided with a brief overview of the FYUGP curriculum.
- Extra doubt-clearing sessions were scheduled to aid the mentees in addressing their academic challenges effectively.

##### Even Semester:

- Mentees were reminded to attend their sessions regularly to ensure their academic progress.
- A thorough analysis of their performance in the previous year's exams was carried out to identify areas requiring improvement. Instructions were given for mentees to attend doubt-clearing and counselling sessions consistently.
- Furthermore, ongoing progress in the current semester's studies is monitored and evaluated on a regular basis.

### Highpoints of the mentoring sessions

#### HIGH POINTS OF THE MENTORING SESSION

##### Odd Semester:

1. Discussions regarding academic performance were conducted for students in their 3rd and 5th semesters, and subsequently, they were advised to seek guidance from their mentors for improvement.
2. Efforts were made by mentors to pinpoint the reasons behind the poor performance of certain students and their inability to express themselves freely in the English language is pointed out as a major drawback for most of the mentees.
3. Additionally, first-semester students were provided with a brief overview of the FYUGP curriculum, and how to adapt to the new curriculum was also stressed.
4. Extra doubt-clearing sessions were scheduled to aid the mentees in addressing their academic challenges effectively.

##### Even Semester:

1. Mentees were reminded to attend their sessions regularly to ensure their academic progress.
2. A thorough analysis of their performance in the previous year's exams was carried out to identify areas requiring improvement. Instructions were given for mentees to attend doubt-clearing and counseling sessions consistently.
3. Furthermore, ongoing progress in the current semester's studies is monitored and evaluated regularly.
4. In the counseling sessions career related issues, extra-curricular activities, and personal growth were some of the issues that were stressed.
