## Highpoints of the mentoring sessions

### Highpoints of the Mentoring Session

#### Odd Semester, 2023

At the beginning of the session, an interaction session was conducted with the mentees assigned under my mentorship. I have discussed with them about their academic achievement in previous semesters. They were suggested to attend the classes regularly and prepare class notes of each class on daily basis. They were also advised to visit the department Library as well as the central library for accessing the textbooks and reference books as well.

A regular discussion with the mentees 1<sup>st</sup>, 3<sup>rd</sup> semester and 5<sup>th</sup> semester was conducted throughout the semester regarding their scholastic as well as co-scholastic areas. Previous year question papers were also discussed. Their end-semester examination results were recorded in their report cards. Suggestions were made for solving their mental, financial and academic problem and to strengthen their abilities in different activities including curricular as well as co-curricular aspects. Some mentees were advised to study hard so that they could clear their degree within the stipulated time.

#### Even Semester, 2024

At the beginning of the session, an interaction was conducted with all mentees of 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> semester. Discussions were made regarding their academic performance in previous semesters, the average students with poor marks were asked to attend the class regularly and keep in touch with me so that I could help them to solve their academic as well as personal problems.

Discussions and interactive sessions were going on throughout the semester reading study habits, difficult concepts in the syllabus, the curricular and co-curricular aspects, career guidance, problems and finding solutions regarding academic, mental and their personal life. Suggestions were provided to each and every according to their needs. Reference books and other study materials were provided to them. Motivated the students to enhance their study habits, help them to face the new competitive world, encourage to participate in all activities in the college and perform best in their academics.

**HIGHPOINTS OF MENTORING SESSIONS**

**Odd semester, 2023**

Mentoring sessions were held with the designated mentees of the B.A. 1st Semester, during which their profiles were gathered. The structure of the B.A. program (CBCS) was deliberated upon, along with an explanation of the course outcomes. They were encouraged to consistently attend classes and take thorough notes daily, while also being urged to reach out for any academic concerns. Additionally, regular discussions occurred with mentees from the 3rd and 5th semesters throughout the term. Due to low attendance observed in the previous semester, those with poor attendance were reminded to improve their attendance. Students with backlogs from previous exams were advised to maintain diligent class notes. Furthermore, mentees' report cards were updated following the announcement of last semester's examination results.

**Even Semester, 2024**

Throughout this semester's mentoring sessions, students who performed poorly in examinations were identified and provided with specialized counseling. They were instructed to diligently prepare notes for upcoming exams and were encouraged to submit these notes to their course teachers for evaluation. Additionally, the report cards of each mentee were updated with the SGPA grade points from the last semester examinations.
