### Highpoints of the mentoring sessions

#### HIGHPOINTS OF THE MENTORING SESSIONS

##### ODD SEMESTER:

- The meetings with the 3<sup>rd</sup> and 4<sup>th</sup> semester mentees were held first of all to acclimatize with the respective new semesters and the requirements to be fulfilled in during the session.
- Considering the present stage, they had reached it was important for them to assess their progress so far and plan out future activities for further development.
- The students were advised to carry out a self-assessment in order to discover either a strong point or weakness in them to ensure better future.
- All the mentees were suggested to focus on their personal goals they have set for themselves
- One of the primary points of discussion was to sensitize the mentees about the need of a sound health. Therefore, they were advised to maintain healthy habits such as doing regular exercise, eating healthy food and taking adequate rest.
- Above all, the sessions highlighted chiefly on how the mentees should build up suitable and practically feasible the study habits.
- The first semester mentees were given an overview of the new course along with tips to meet the challenges of the new chapter of their lives.

##### EVEN SEMESTER:

- With the entry into the new semester the mentees were initially asked to express their views on the recently held end semester examinations.
- To match with their progress the mentees were told to give emphasis on improving their skills in diverse fields of interests.
- The mentees were specially asked to start having more interactive sessions for augmentation of communication skills
- They were further suggested to visit the library for accession of various online materials to overcome difficulties in finding study materials elsewhere
- The mentees were also suggested to build up healthy study habits
- The final semester mentees were particularly suggested to concentrate on the completion of the remaining course contents
- All the mentees were advised to take up activities in creative writing

**Designation: Assistant Professor**

**Department: English**

### High points of the mentoring sessions

#### HIGHPOINTS OF THE MENTORING SESSIONS

##### ODD SEMESTER, 2023

- In continuance with the usual routine of mentorship, a general discussion was, just in the first few days of the start of the semester classes, made with the 3<sup>rd</sup> and the 5<sup>th</sup> semester mentees giving a post-examination analysis of their previous examination.
- Discussion is primarily focused on the strengths and weaknesses of the examinees along with the difficulties they faced during examination.
- The mentees were given various tips to overcome all the possible difficulties in time to come.
- With that, after declaration of result of the end semester examinations (2<sup>nd</sup> and 4<sup>th</sup> semester) the SGPAs of the mentees were discussed and recorded in their respective report cards.
- With elapse of certain days and after allotment of mentees from the newcomers, a meeting was held with the new mentees and their individual profiles were collected.
- The new mentees were given a clear picture of the course they were undertaking and encouraged to follow the course sincerely and meaningfully.
- Additionally, discussion on any emerging issues were made from time to time encouraging and keeping the mentees tuned and regular throughout the course.

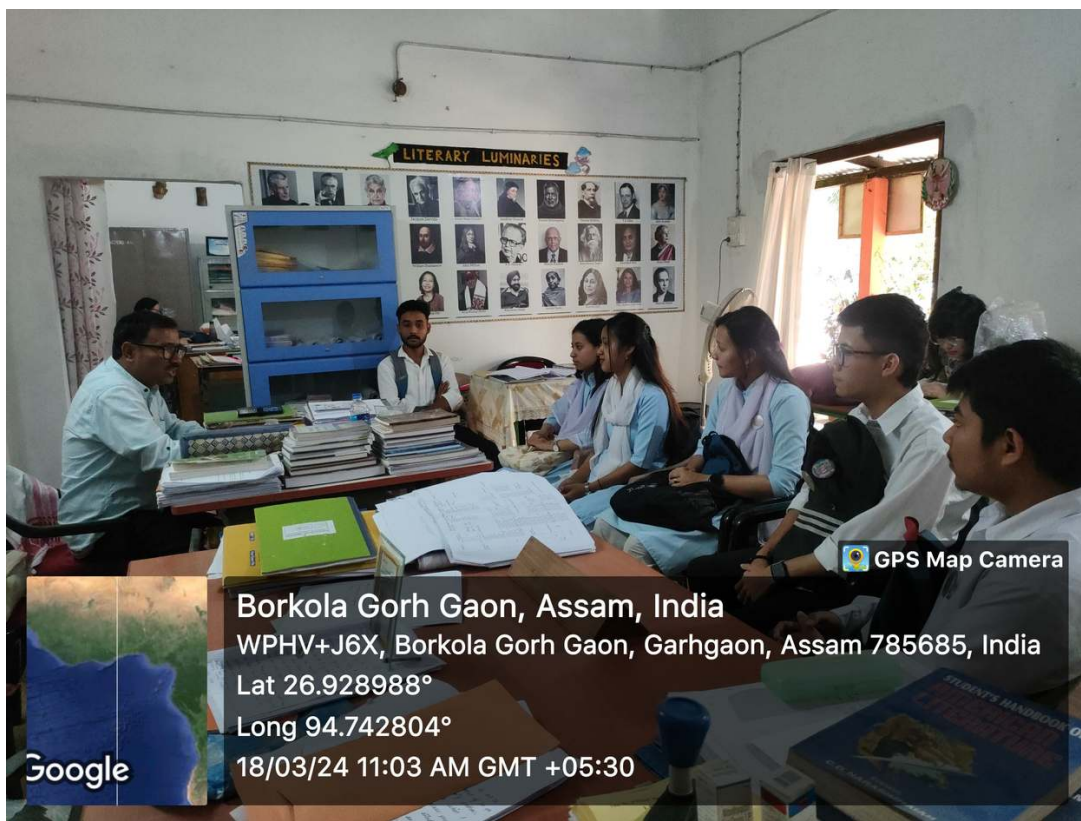

##### EVEN SEMESTER, 2024

- On the very first few days of the start of the even session, a semester-wise meeting was held respectively with the mentees from all the semesters. A post-exam analysis was made of their previous examination. All the issues pertaining to their examinations – their mistakes and troubles – were critically discussed and they were encouraged to keep pursuing their course with a new spirit and vigour.
- Moreover, throughout the course all the attentions were given upon the mentees so that they might continue their course without any further disturbance.
- After declaration of the end semester examination (1<sup>st</sup>, 3<sup>rd</sup> & 5<sup>th</sup> semester), immediate sitting with all the mentees were given to discuss their performance. At the same time the SGPAs of the mentees were also recorded on their respective report cards.

### Highpoints of the mentoring sessions

#### KEYPOINTS OF THE MENTORING SESSIONS

##### Odd Semester, 2023

1. Discussion with the 1st Semester students about the new course (FYUP) and its future prospects.
2. Mentoring with the 3rd and 5th Semesters regarding their new courses and involvement in the departmental activities.
3. Discussion took place regarding the mentees' academic, co-curricular, health and hygiene issues.

##### Even Semester, 2024

1. Discussion took place regarding the mentee's previous examination and their involvement in college life.
2. A mentoring session took place regarding the mentees' extracurricular pursuits, health concerns, and most significantly with the 6th Semester mentees' choosing of DSE Papers.
3. Intense observation also focused on mentees' academic affairs and especially for 6th Semester students' future admission procedure.

### High points of the mentoring sessions

#### HIGHPOINTS OF THE MENTORING SESSIONS

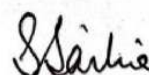

##### ODD SEMESTER, 2023

1. The students of first semesters were guided by taking into account their issues, including hesitancy when speaking and difficulty writing and communicating.
2. Issues including the incapacity to formulate answers of examination were addressed in the ensuing mentorship meetings.
3. In addition, the students received guidance regarding extracurricular activities and were motivated to refine and enhance their skills.
4. The third and fifth semester students received mentoring in the area of enhancing their academic performance even more. Topics including how to write seminar papers and how to improve writing abilities to come up with better responses were covered.

##### EVEN SEMESTER, 2024

1. Topics including how mentors can formulate better answers were covered in the even session.
2. The mentors received training on how to write better seminar papers. They discussed the complex subjects that they were unable to understand with the mentor.
3. The last semester pupils received training on how to comprehend subjects and write better by using extra study materials.
4. The sixth semester students were also guided on the area of career opportunities on completion of their courses.
