ABOUT THE PROGRAMME

Gargaon College, one of the premier institutes of Upper Assam, has formed a Mentorship Committee with a view to providing a healthy environment for all of its students. With its inception in 2019, Mentorship Committee aims at giving each and every student a right platform to move with the rapid changes of time. The prime concern of the committee is to build up confidence and infuse a competitive spirit among the students to cope with the rapidly developing human society and keep pace with the fast moving world. With that humble effort in force the committee aspires to give equal importance to all the students irrespective of slow learners and advance learners and provide them all round sustenance, apart from their usual classroom learning, by raising the edifice for them to inculcate their potentialities that very often remain hidden and unexposed.

Previously, all the teachers from all the departments mentored the students of their respective departments, very often individually and sometimes departmentally. The mentoring activities carried out as such were a regular practice among each and every teacher although they were not done uniformly under one institutionally collective banner as mentorship committee programme.

OBJECTIVES OF THE PROGRAMME

- To dedicate itself for the cause of learning
- To work for the goal of the college
- To identify the strengths and weaknesses of each and every student and take follow up actions as per the needs and requirements
- To create a healthy academic and intellectual environment equally for all the students
- To identify slow learners so as the advanced learners
- To encourage the slow learners for learning and infuse in them a competitive spirit
- To give extra care and remedial classes to the slow learners.
- To extend a platform for the advanced learners to increase their acumen and sharpen their knowledge
- To introduce them with the outside world of knowledge explosion
- Above all, to mould them up as true human resource

DETAILS OF THE PROGRAMME

Immediately after induction programme in which the profiles of the students are collected and well ahead of the start of class sessions the departmental meeting is held along with the newcomers in whom the Head of the department does announce the rules and regulations of the department and then the mentor mentee list already approved by the Principal. The students of all the semesters including the new batch are divided into mentee groups among the existing teachers who are supposed to devote their time for overall uplift of their respective mentees till they leave the institution after successful completion of their course.

During one to one mentor-mentee meeting enquiry is made about mental and physical health of the mentees, their study related issues, and problems pertaining to family or society. If any case arises which cannot be publicly related, a Personal Information Form is given to the concerning mentee who fills up the form which is verified by the mentor, maintained as confidential record and kept in a file in a safe place in the department. Habitual absentees are informed to the HOD who takes the responsibility to take the matter to the Mentorship Committee.

Monthly report of mentor-mentee meeting record in prescribed format is kept in hard copy by the individual mentor and the soft copy of the same is sent to the Coordinator of the Mentorship Committee. Any issue related with their pursuit of course or personal life as raised by a mentee is addressed to the concerned committee.

The Mentorship Committee reviews meeting every six months with all the HODs, prepare a report which is submitted to the respected Principal.

The Mentorship Committee also issues Student Feedback Form to the students of each and every department. The filled up forms are directly submitted to the Coordinator of the Mentorship Committee.
