### Highpoints of the mentoring sessions

#### Highpoints of mentoring sessions:

1. The students are informed about the delay of this meeting stipulated on 25/6/2022 by the HoD and holding of that meeting today on 02/09/2022 due to some unavoidable reasons.
2. As a mentor I intend to create an environment for the mentees where the mentees can feel free to share all their problems, academic as well as personal to me.
3. Secondly, I enquired about the accommodation of the students whether they living hostel, private mesh or PG rent and come from home. This is done to accustom with their surrounding and environment.
4. In the meeting the topic "Indian polity in various competitive examinations" is discussed to give an insight on how to study this area effectively to score better.
