The Academic Development Committee incorporating the Principal, Heads of Departments and all Faculty members of the college holds a meeting at the beginning of every session and discusses the various aspects of curriculum planning and implementation. It is also entrusted with the task of forming the Routine Development Committee. At the commencement of the new academic session, the Induction Programme is held orienting students on the institutional regulations and the course curriculum. The Routine Development Committee formed by the Academic Development Committee prepares a general routine. The routine includes classes for the three streams including remedial classes, sports etc. The departments, too, hold meetings to discuss the preparation of departmental routine, allotment of classes to teachers, course distribution etc. Accordingly, the departmental routines are prepared, the course is distributed and classes are allotted to teachers.
