The canteen of the College provides different hygienic food and beverage items at reasonable rates to the students. The canteen provides the much-needed space to students for recreation. The Management of the Canteen is directly under the control of the College Administration. The contract of the Canteen is renewed every year. The periodical meeting is conducted by the team of Management and Contractor in order to appraise the functioning of the Canteen. All the stake holders of the College are benefited by the canteen. A new Canteen of 2400 sq. ft. and a Cafeteria of 800 sq. ft. is under construction.
