Gargaon College Sports Academy provides coaching badminton, football, volleyball and cricket. The state-of-the-art indoor stadium of the college is periodically inspected for carrying out cleaning, repairs and maintenance. The indoor stadium has 3 courts (1 wooden and 2 synthetic), one gym, changing room for girls, separate washrooms for boys and girls, office room, drinking water facility, open field for physical exercises and waiting facilities for guardians. The college has a well-resourced gymnasium for the students and the staff. It has all the modern amenities including equipments like dumbbells, barbells, treadmill etc. for an effective workout. Care is taken to provide proper lighting facility. The students and faculty visit the stadium on a daily basis for practice.

The college has a lush green playground of 5000 square feet area. Various sports and outdoor games like football, volleyball and cricket are conducted time to time here. The open field is regularly mowed in order to hold various sporting events of the college as well as external events. The college has a Badminton Coaching Centre whose activities are supervised by a managing committee. This center was inaugurated on January 02, 2018. The coaching is imparted by qualified and experienced coaches. Besides, there is a volleyball court in the college which is also maintained and supervised regularly.

The sports facilities of Gargaon College have not served the needs of the students and staff of the college but also provided exemplary community service in the field of empowering local children and youths through sports.
