PHYSICAL INFRASTRUCTURE

Classroom

Gargaon College has adequate facilities of classrooms for the students. The classrooms are well equipped with desks, benches, tables, chairs, podiums, lights and fans. The smart classrooms of the college have adequate ICT facilities.

The regular cleaning and maintenance of classrooms are done by the fourth grade workers and sweepers. Besides, students, too undertake cleanliness drive. The office of the Principal ensures the provision of sufficient benches, desks, equipments like blackboards, lighting facility along with necessary repairs that have to be undertaken from time to time.
